

The Extended Schools' Theale Partnership Summer Schools 2010

Summer Science Spectacular: 26th - 30th July 2010 from 9am-3pm

The 4th fantastic year of Summer Science – so come along and join in the week. This week is run by the experts in the Science Department at Theale Green School and they have planned a fun week of robotics, forensic exploration, exciting chemistry experiments and more! This is real science without the boring bits.

Do some kitchen chemistry, watch impressive experiments and try out your own and see what you can discover in the world of forensics. A fun week of all the fun bits of science that you always wanted to do.

There are also some great days out too, as we will go to Intech in Winchester, and you'll also be able to defy gravity with a whole day out at Chessington World of Adventures!!

For students in Years 6 and 7 – cost just £65 including trips!

A very sociable week ...

Last year, more than 90% of youngsters attending Activity Week said that they had met and worked with new students who they hadn't known before and had enjoyed doing so!

Summer Activity Week 26th - 30th July 2010

Following last year's success and based at Theale Green School, there's a great choice of things to do this week. This is the time to have a go at something you've never tried before; equally if there's something you really like, now's your chance to have some more. Details are overleaf and you can come to as many as you want – stay for lunch too and meet new friends.

*See over for
how to book,
but be quick
- places are
limited...*

These Summer School weeks are a fantastic opportunity to spend time to get to know the school, staff and other students without the hustle and bustle of the normal school day – and have fun!!

All our summer schools, activities and workshops are led by fully trained and qualified specialists

Multi-Sports: 2nd - 6th August 2010 from 10am-4pm

You won't be disappointed! we will again be running Multi-Sports, this year at Englefield Primary School. If you love sport (or even if you don't!) don't miss this opportunity to spend a whole week learning new skills and improving existing ones.

Everyday you can have a go at a different sport or activity – including Tri-Golf, fencing, rounders, dodgeball, football, netball, orienteering, mini Olympics, multi-sports challenge and lots of others so that you can learn new things and have fun!!

Also included is a whole day at Adventure Dolphin in Pangbourne with team building activities, and kayaking and canoeing on the Thames!!

For students in Years 3, 4, 5 and 6 - £50

1	9.00	6	45.00
2	18.00	7	54.00
3	27.00	8	63.00
4	36.00	9	72.00
5	36.00	10	72.00

Last year, they said:

"Just a big thank you! My daughter really enjoyed herself & all of the activities"

"My son is due to start Theale in September and is the only child from his school joining. He was very apprehensive but this week has helped him no end and he has made several nice friends and feels much more confident about joining."

Q to students: What did you like most? "Everything!" (nearly every student said this about their session)

"it was GREAT!" (student)

It may be possible to provide additional care from 8:30am - 5:00pm for the Science and Activity weeks. This is subject to demand, so please contact us as soon as possible by email - kward@thealegreen.org, uk or telephone - 0118 930 8578
